IMPRESSIONS 2024

EXPERIENCE

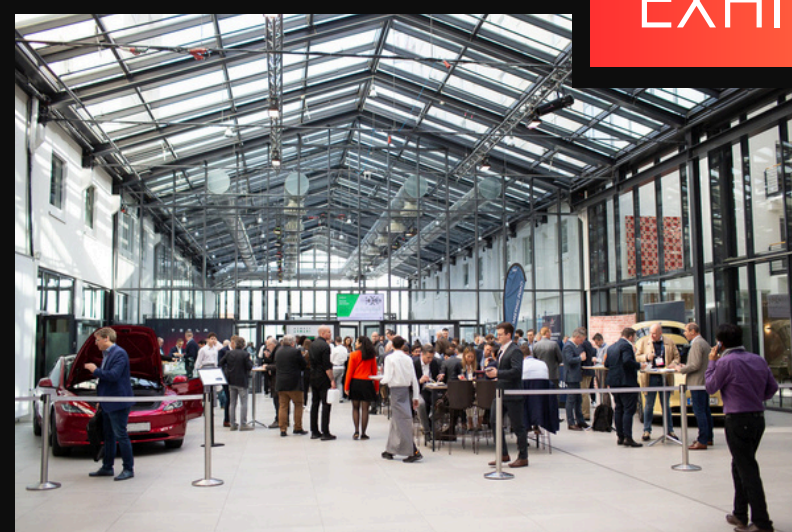

NETWORKING

CONFERENCE

EXHIBITION

PARTICIPANTS

Decision makers from these and many other companies attend the event

EXHIBITION

THE HEART AND SOUL OF THE AUTOMOTIVE MASTERMINDS

FOCUS TOPICS & FORMATS

The conference is organized along **three strategic topics**, which will determine the future of the automotive industry. The participants learn and discuss the ideas and future visions in **keynotes, panel discussions, interactive workshops and barcamps, deep dives or tech talks.**

Software revolution
and the road to
autonomy

Competitiveness,
global markets and
the value chain

Electrification and
the future of
powertrains

TARGET GROUPS

OEMs:

Shapers and drivers of the future of mobility

Suppliers:

The pillars of automotive innovation

Newcomers:

Disruptors and pioneers of the next generation

USP OF THE EVENT

C-Level Networking

**Meet the foremost
decision-makers and
managers and
connect with them**

The brightest brains

**Listen to speeches of
the new masterminds
of the automotive
industry - virtual or
on-site**

Outside-the- box

**Our formats and tone
are mind opening and
help thinking forward
to develop the new
automotive world**

Special networking vibe

**The location, our
mastermind party, test
drives and the uplifting
vibe we are creating, are
unique in the executive
event landscape**
