Future Battery Forum
Berlin + Online

EUROPEAN UNION
European Regional Development Fund

The FBF 2023 was co-financed by the European Regional Development Fund (ERDF). Funded as parl of the Union´s response to the COVID-19 pandemic.

Take part!

- 700+ attendees on-site
- 2,500+ attendees online
- 70+ speakers
- 90+ sponsors&exhibitors

Book now!

Accelerating Europe's battery industry: Innovative. Sustainable. Stronger together.

Management Conference – B2B Meetings – Exhibition

November 27 -28, 2023 | ECC Berlin

Competence Partners

BASF We create chemistry
CUSTOMCELLS® Ahead in cell innovation
RockTech
SVOLT Driven by Innovation
VARTA

More than 70 speakers live on stage

Meet interesting people and make valuable contacts. Via our conference app, you can see who is attending and make specific appointments. These and other thought leaders will share their expertise in Berlin:

Dr. Dirk Abendroth
CEO,
CUSTOMCELLS

Dr. Michael Baumann
CCEO & Co-Founder,
Twaice

Marian Bocek
Co-Founder and CEO,
InoBat

Richard Bouveret
CEO & Chairman,
Blue Solutions

Carmen Dörsch
Vice President Business Management Europe & Global Sales, Battery Materials, BASF SE

Guido Feind
Head of Siemens Digital Industries Germany,
Siemens

Dr. Markus Hackstein
Speaker of the Board,
VARTA AG

Dr. Sven Jantzen
Director Government Affairs,
Umicore AG & Co. KG

Dr. Kim Kreisköther
Specialist Battery System,
Henkel AG

Taavi Madiberk
CEO, Skeleton Technologies

Mark Laderer
Executive Vice President Mobility & Battery Solutions,
MANZ AG

Dr. Sarah Michaelis
Division Manager Battery Production, VDMA Verband Deutscher Maschinen- und Anlagebau e.V.

Dr. Gilles Normand
President ProLogium Europe and
EVP Global Development,
ProLogium

Michael Peither
CTO & Co-Founder,
Voltstorage

Inga Petersen
Executive Director,
Global Battery Alliance

Nicolas Steinbacher
Senior Director Strategy & Corporate Development,
Northvolt

Yann Vincent
CEO,
ACC Automotive Cells Company

Ilka van Dalwigk
EBA Policy Manager,
EIT InnoEnergy

Sebastian Wolf
COO,
PowerCo

Kai-Uwe Wollenhaupt
President SVOLT Europe,
Vice President, SVOLT Energy Technology Ltd.

Conference Day 1

Monday, November 27, 2023

08.00 - 09.00 — Check-in and networking in the exhibition
Estrel Congress Center, Sonnenallee 225, 12057 Berlin

09.00 - 09.15 — Welcome address and networking kick-off
Prof. Johannes Walther, Founder, IPM AG

09.15 - 09.30 — EU battery regulations: Where do we stand?

09.30 - 10.20 — Subsidies and trade barriers: Analyzing the impact of IRA, high energy costs, and EU regulations
Dr. Markus Hackstein, Speaker of the Board, VARTA AG
Ilka von Dalwigk, Policy Manager, EIT InnoEnergy
Sebastian Wolf, COO, PowerCo SE
Kai-Uwe Wollenhaupt, President SVOLT Europe & Vice President, SVOLT Energy Technology Ltd.

10.20 - 11.00 — Coffee break and networking in the exhibition

11.00 - 11.15 — The European battery market for EVs and BESS: Review and outlook for the coming year
Iola Hughes, Research manager, Rho Motion

11.15 - 12.00 — Mass production vs customization: Finding the right balance in battery manufacturing
Yann Vincent, CEO, ACC Automotive Cells Company
Dirk Abendroth, CEO, CUSTOMCELLS Group

12.00 - 12.20 — Catalyzing change: The urgency of accelerating stationary battery storage for a sustainable future
Dr. Hans-Günter Schwarz, Head of Battery Development, RWE Supply & Trading

12.20 - 13.30 — Lunch break and networking in the exhibition

13.30 - 13.50 — Powering up productivity: The impact of AI, digitization, automation, and robotics on battery manufacturing
Guido Feind, Head of Siemens Digital Industries Germany, Siemens
Taavi Madiberk, CEO, Skeleton

13.50 - 14.35 — Recycling, reuse, or repair? Finding the optimal solution for battery sustainability
Dr. Nuria Gonzalez-Garcia, Head of Research & Technology, betteries
Dr. Sven Jantzen, Director Government Affairs, Umicore AG & Co. KG
Dr. Christoph Jaschinski, Senior Vice President Global Business Development, Leadec

14.35 - 14.50 — Coffee break and networking in the exhibition

Subject to change.
More: www.futurebattery.eu/agenda

Conference Day 1

Monday, November 27, 2023

14.50 - 16.10 — Recharging the industry: A look at next-generation battery technologies

Richard Bouveret, CEO & Chairman, Blue Solutions

Francisco Carranza, CEO, Basquevolt

Kurt Kelty, VP, Commercialization and Battery Engineering, Sila

Dr. Wiebke Reichstein, Lead R&D, Univercell

16.10 - 16.20 — Next-level research-industry collaboration for accelerating battery innovation

Simon Voss, Managing Director, E-Mobility Lab of RWTH Aachen University

16.20 - 17.00 — Coffee break and networking in the exhibition

16.30 - 18.30 — Executive Workshops | Parallel session for all-access ticket holders only (limited to 40 seats per Workshop)

How to decarbonize the battery value chain? | Room 4
with experts from **BLC, exyte, Northvolt, SYSTEMIQ, Umicore**

Battery safety and battery management systems | Room 5
with experts from **ACCURE Battery Intelligence GmbH and Munich Electrification GmbH**

17.00 - 17.20 — Raw material scarcity: A major threat to the European battery industry?

Dr. André Majdalani, Global Director Sales & Marketing, AMG Lithium GmbH

17.20 - 17.40 — Powering battery projects: Navigating financing and funding opportunities

Marc Isabelle, CEO, European Economics

Fabien Levaillant, Managing Director, Low Carbon Transition Group, BNP Paribas

17.40 - 18.30 — Strengthening local supply chains: Building a competitive EU battery industry through local for local

Carmen Dörsch, Vice President Business Management Europe & Global Sales, Battery Materials, BASF SE

Mark Laderer, Executive Vice President Mobility & Battery Solutions, Manz AG

Claude Laperiere, Global Battery Supply Chain Director, Schneider Electric & President Upcell Alliance

18.30 - 22.00 — Evening reception in the exhibition with flying dinner and cocktails

Subject to change.

Conference Day 2

Tuesday, November 28, 2023

08.00 - 09.00	**Check-in and networking in the exhibition** Estrel Congress Center, Sonnenallee 225, 12057 Berlin
09.00 - 09.05	**Opening of conference day 2** **Prof. Johannes Walther,** Founder, IPM AG
09.05 - 09.15	**Selecting a site for a gigafactory during geopolitical turmoil, energy crisis, talent shortages, and scarcity of sites** **Bob Hess,** Vice Chairman, Global Strategy, Newmark
09.15 - 09.55	**Gigafactories in Europe** **Marian Bocek,** Co-Founder and CEO, InoBat **Nemanja Mikać,** CEO, ElevenEs **Dr. Gilles Normand,** President ProLogium Europe and EVP Global Development, ProLogium **Nicolas Steinbacher,** Senior Director Strategy & Corporate Development, Northvolt
09.55 - 10.15	**Designing for sustainability: A closer look at battery recycling and circular economy**
10.15 - 10.50	**Coffee break and networking in the exhibition**
10.50 - 11.10	**Fast-charging battery convenience: Recent developments critical to e-mobility acceptance** **Dr. Doron Myersdorf,** CEO & Founder, Storedot
11.10 - 12.00	**Exploring current and future technologies for stationary energy storage** **Uwe Ahrens,** Managing Director, Altech Advanced Materials AG **Michael Peither,** CTO & Co-Founder, Voltstorage **Wasim Sarwar Dilov,** Director, Rimac Energy
12.00 - 13.00	**Lunch break and networking in the exhibition**
13.00 - 13.20	**Challenges in scaling the European battery market: A tier one supplier's perspective** **Marco van der Weerd,** Vice President Battery Systems OE, Webasto Group
13.20 - 14.00	INNOVATION PITCHES **Nesrine Darragi,** CEO, Hive Electric **Eloisa de Castro,** CEO, Enerpoly **Einar Karu,** CTO, UP Catalyst **Björn Mårlid,** CEO, Altris **Lilian Schwich,** CEO, Cylib
14.00 - 14.35	**Coffee break and networking in the exhibition**

Subject to change.
More: www.futurebattery.eu/agenda

Conference Day 2

Tuesday, November 28, 2023

14.35 - 14.55

The battery passport: a key tool for low-carbon mobility and energy storage transition

Inga Petersen, Executive Director, Global Battery Alliance

14.55 - 15.45

Towards a circular battery industry: navigating the challenges ahead

Dr. Michael Baumann, CEO & Co-Founder, Twaice

Dr. Julian Proelss, Director Business Management Battery Recycling, BASF SE

Dr. Jennifer Lenz, Director QM Operations Europe, SVOLT Energy Technology Ltd.

15.45 - 15.50

Closing address

16.00 - 18.00

Excursion | betteries AMPS GmbH
Repurposing EV batteries into mobile and modular power systems
limited to 40 seats - for all access ticket holders only

Innovation Stage

The Innovation Stage is located directly in the exhibition and will be hosted on both conference days.
You can look forward to:

Tech Talks

with speakers from:

PANEL DISCUSSION
European Turnkey Solutions

with speakers from:

Subject to change.
More: www.futurebattery.eu/agenda

How to participate

Benefit from the networking opportunities

Workshops

Discuss and work in teams with other professionals and selected experts. Gain new insights (only available for All Access Ticket holders).

Excursion

Complete your visit with an excursion to an industry site in Berlin (only available for All Access Ticket holders).

Evening reception

Foster your networks and make new contacts over nice food and drings, on the first day at the evening reception.

Your ticket to exclusive C-level networking with battery experts

First come, first serve: Secure one of the exclusive workshop seats or take part in the excursion with your all-access ticket.

	STANDARD TICKET	ALL ACCESS TICKET
Sessions	all tracks	all tracks
Access to the expo	on-site + digital	on-site + digital
B2B meetings | matchmaking	on-site + video	on-site + video
Catering | evening reception with dinner	✓	✓
Executive workshops	×	✓
Excursion	×	✓
Cancellation free of charge	×	until 2 weeks before event
	€ 1,440	€ 1,920

Secure your 20% discount
