

Exhibition Freight Handling Tariff

Estrel Convention Center Berlin 2026

(Not valid at the Expo Center City / Fairground Berlin)

General terms and conditions

§ 1

The exhibition freight handling tariff is valid for Estrel Hotel & Convention Centre (Sonnenallee 225, 12057 Berlin). It is not valid at the Expo Center City and the Berlin Exhibition Centre. The services to be carried out include, among other things, the transport to and from the exhibition as well as the completion of the necessary formalities for domestic and foreign countries.

DSV reserves the right to allocate time slots for loading and unloading with logistics services at trade fairs and events via a traffic control program.

§ 2

The exhibition freight handling tariff will form the basis for all invoices by the forwarder.

Prices shown are maximum rates, Calculations 1 cbm = 250 kg, and exclude German VAT. Billing is based on the higher weight:

volume weight or real weight. If weight is not specified, flat rates apply. Please also note the minimum rates.

§ 3

In addition to the fairs and exhibition tariff all orders are undertaken strictly as per the latest version of the 'German Forwarders Terms and Conditions' (ADSp). All orders of cranes and heavy load orders are undertaken as per the 'BSK' - Terms and Conditions latest issue, copies of both terms are available on request.

§ 4

Shipments can only be accepted on a Freight prepaid basis up to 'free arrival exhibition ground'. In order to ensure timely and complete delivery to stand it is imperative each individual package marked with exhibitor's name, the name of the exhibition together with the hall and booth number and total quantity.

§ 5

Forwarding Agent Contractual Responsibilities and Liabilities:

- ends once the goods have been delivered to the exhibitors stand, whether the exhibitor is present or not. In the absence of written instructions to the contrary, goods may be delivered to the stand commencing on the first day of the official build-up period
- for storage during the exhibition of empty packing materials and / or freight commence with collection of same from the exhibitors stand and ends when the material has been returned at the close of the exhibition. Under no circumstances are goods to be left in cases labelled for empty case storage. In such instances no liability can be accepted for such goods. Goods which are required to be storage during the exhibition are to be separately declared and labelled as such.
- for freight at the close of the exhibition commences with its collection from the stand during the official dismantling period whether the exhibitor is present or not.

The surrendering of documents by the exhibitor at the Forwarders office and the acceptance of same does not constitute any admission responsibility or liability for freight which has not yet been collected from the stand.

Exhibitors are recommended to take out transport and storage insurance for their goods, details of such insurance can be obtained from the forwarder. Insurance cover over the storage of empty packing materials can only be obtained on special request from the forwarder.

No liability is accepted for verbal instructions and orders given by the exhibitor to the technical staff of the exhibition forwarding agent.

§ 6

The collection and storage of empty packing material is carried out by the forwarder following receipt of a written order. The Building and Fire authorities do not allow the storage of empty packing materials in the exhibition halls.

Should such materials be discovered following the end of the official build-up period, it will be removed by the forwarder at the exhibitors cost even in absence of an official order.

Empty cases are to be clearly labelled and suitably secured for removal before being handed over to the forwarder for storage.

§ 7

All claims of whatever nature must be made in writing at the forwarders office immediately. Verbal claims alone cannot be accepted.

§ 8

Forwarder invoices are payable upon receipt. The customer is deemed to be default (without warning or other preliminary action being required) at the latest 10 days after receipt of invoice. In case of such default the forwarder is entitled to charge interest as per the German Forwarders Terms and Conditions (ADSp).

§ 9

The sole place of performance for all contractual obligations is Berlin. The sole place of jurisdiction for both parties in any lawsuit arising from such contracts is Berlin.

§ 10

The invoice will be issued by DSV after performance of the service with itemization. DSV has the right to invoice partial services separately. All payments are due immediately without deduction. In this context, DSV reserves the right to carry out a credit assessment of each individual order. If the creditworthiness is assessed negatively by DSV, DSV has the right to invoice the ordered services in advance. In this case, the client will receive a provisional cost statement/invoice after receipt of the order, which is to be paid in advance. After completion of the service provision, DSV will then send a final invoice. Depending on the scope of services, a subsequent claim or refund may then be made. Additional claims are due immediately without deduction.

§ 11

The use of your own technical equipment is not permitted. The exhibition forwarding agent reserves the right to sanction any use of the exhibitor's own equipment (forklift, work-platforms / scissor lifts) during the official set-up/dismantling period.

§ 12

This tariff takes effect as from 1st February 2026, at which date all previous tariffs are deemed to be invalid.
